

OUR COMPACT PRODUCT

The look and feel of real tiles, without the grout

Compact Panels are made from a strong solid composite material, embossed to create a tile effect wall without the need for grout. These 3mm solid laminate panels are easy to fit through a waterproof system, reducing the fitting time compared with traditional tile products - and they are even easier to keep clean.

Compact Panels

Compact panels measure **2440mm** in height, and are **896mm** or **1200mm** wide.

All Compact panels are 3mm in thickness.
