

THE WINDSOR RANGE

SMOKE BLUE WITH IMPERIAL & CUP PLUS CHROME HANDLES PICTURED

Real Timber Shaker

If you're searching for the ultimate traditional kitchen then you've found it! Windsor doors are constructed from timber in a 5 piece shaker door with internal beading around the frame to provide even more definition. Look for the likes of pilasters, columns, mantels and corbels to make every zone of your kitchen distinct.

- ✓ *Internal beading detail*
- ✓ *20mm door thickness*
- ✓ *Real timber materials*

The beading detail on the Windsor range really gives that British country cottage look that I love. Use the barrel pilasters for extra character.
