**BACTERIOSTATIC
PROTECTION**
With Silver Technology

**RESISTANT
TO ACID**

**RESISTANT
TO KNOCKS**

**RESISTANT
TO STAINS**

**RESISTANT
TO SCRATCHING**

UNIQUE CHARACTERISTICS

It incorporates all the benefits of Silestone® (resistance, low porosity, hardness etc.)

Maximum hygiene as there are no joints and thanks to its bacteriostatic protection.

Easy cleaning and maintenance.

COLOURS

Available in almost all Silestone® Colours.
Consult models.

MODELS AND COLOURS

ONE MODEL

The mould of the first Silestone® sink is characterised by more curved corners.
Measurements: 41x51x15.5 cm.

DUE MODEL

This model stands out for its smaller curve and makes the installation of a double basin easier, owing to its reduced size. Available in 2 sizes: 37x34x15.5 for double basin and 37x51x15.5 for a single basin.

SENSA® by Cosentino® GRANITE REINTERPRETED

SENSA PROTECTION

THE SPECIAL SENSА TREATMENT FOR GRANITE REPELS LIQUIDS AND PREVENTS STAINS.

A revolutionary treatment for your kitchen is added to the strength and characteristic of granite, which is safe for contact with food, thanks to its special NSF certification.

UNIQUE CHARACTERISTICS

It does not require special maintenance or cleaning.

It is not a conventional sealant.

The treatment withstands temperatures higher than 300°.

Suitable for indoor and outdoor use.

The treatment does not modify the original colour, the beauty or the natural feel of the stone.

The treatment does not change over time.

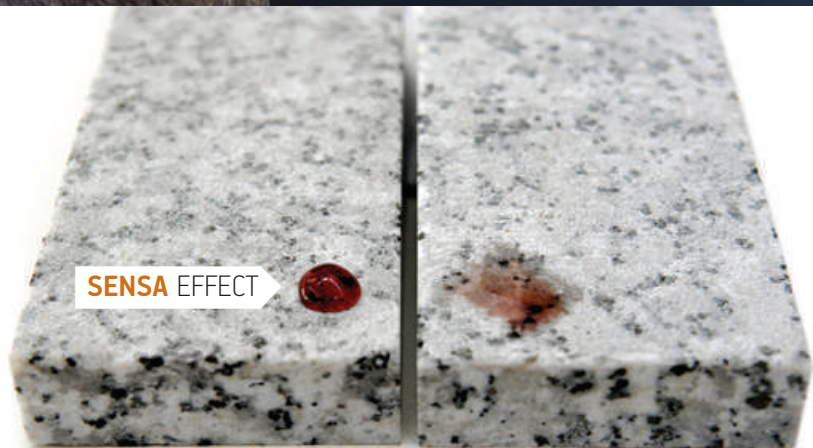

COLOURS AND FINISHES

Sensa has an extensive and varied range of top quality granites with the possibility of choosing a shiny finish (Mirage) or Matte (Leather) in most of them.

10 YEAR GUARANTEE (para el material)

The only brand of granite that gives you a certified guarantee)
